

REDUCING WIRELESS COSTS MAY BE EASIER THAN YOU THINK.

LET US SHOW YOU HOW.

We help businesses like yours evaluate wireless needs, then recommend practical strategies that respect the bottom line. Long-standing relationships with all major carriers ensures a diversity of solutions and pricing to satisfy every need and budget. Allow our expertise and dedicated staff to help your company reduce wireless costs while implementing a strategy that's right for you.

TEMPO

CMS's proprietary Telecom Expense Management (TEM) software manages all telecom spending and inventory.

INCREASED PRODUCTIVITY. REDUCED COSTS.

There is more to wireless technology than cell phones. Since the advent of wireless computer networks, and the vast array of wireless mobile applications, productivity is at an all-time high. As a leader in wireless telephony, CMS excels at delivering smart solutions specific to your company's needs.

Utilizing a wide portfolio of partners, we ensure that you get the best prices available. From procurement of devices and service plans, to upgrades and spending audits, CMS can assist your company in managing all facets of your wireless program. Keeping costs low, and productivity high.
