

Get The Airespring Advantage

- ▶ **Broad National Footprint.** Certified Inter-Exchange Carrier in 43 states.
- ▶ **CLEC.** Competitive Local Exchange Carrier (CLEC) in 34 key national markets and growing.
- ▶ **Massive Volume.** Billing well over 60 million call records monthly.
- ▶ **Experienced.** AireSpring management has been at the forefront of technology and least-cost solutions since the 1980's.
- ▶ **High-volume** wholesale contracts with 5 of the largest Tier 1 networks for significant pricing leverage.
- ▶ **Carrier Class.** Full "carrier-class" service.
- ▶ **Investment in service.** We don't spend our resources on consumer advertising. Rather we invest in servicing our customers with proprietary order provisioning and advanced billing systems.
- ▶ **Profitable.** Economies of scale have made AireSpring very profitable, and we pass significant savings onto our customers.
- ▶ **100% debt free.** We don't answer to bankers, just customers.
- ▶ **Fast growing.** Revenue growth of 425% in the last 18 months.
- ▶ **Secure.** We offer multi-carrier redundancy for maximum security and uptime.
- ▶ **Simplicity.** One bill, one point of contact.
- ▶ **Flexible.** Flexible products and pricing including customizable rates for interstate, intrastate, international voice and data tailored to your business.
- ▶ **Professional service.** All dedicated accounts are assigned an individual Premier Customer Support Representative.
- ▶ **Satisfied customers.** 30-40% of all new orders are add-on's and referrals.
- ▶ **Best prices in the industry.** We are well-known throughout the telecom industry for our aggressive rates.
