

## Integrated Voice & Data Convergence

Better than POTS, AireSpring Dynamic X SMB provides small to medium businesses with a simple and affordable voice, Internet, and enhanced services solution. Others charge extra for what we'll give you for free. With Dynamic X SMB you will get all the bells and whistles you need including: High Speed Internet, affordable Local and Long Distance phone service, a full featured Auto Attendant, Virtual Private Numbers for your employees, and all the key phone features you need (such as Call Waiting, Caller ID, Forwarding, etc.), Visual Voice Mail, Conferencing, Toll Free, and Automatic Call Routing for Disaster Recovery!

**COVERAGE:** Largest nationwide coverage available.

**AIRESRING ANYWHERE:** With AireSpring Find Me Follow Me and Virtual Private Numbers features, you'll get your calls wherever you are even if you are not at home or the office. Your phone number follows you like a trusty friend.

**AUTO ATTENDANT:** Get enterprise quality features included at no additional charge
