This product does not include equipment.

Customer must own and maintain their own MPLS compatible router or the customer may order a router.

No commission paid on CPE Charges.

DISCLAIMER: If ordering an MPLS Private Only network utilizing a single access carrier, AireSpring will not be able to manage AireSpring-supplied equipment unless Customer authorizes management access (a management VRF is included as part of Customer's MPLS network or Customer provides temporary Public IP access for installation or troubleshooting purposes).
