Note: Underlying carrier for each customer is assigned by Airespring and may vary based on multiple factors. Please be aware the underlying carrier used for outbound traffic may not be the same carrier used for inbound (toll free) service. To verify the underlying carrier that will be utilized for a particular customer please enter the customer's NPA/NXX in the lookup tool located at www.agentstar.net. However, please do not have the customer self-PIC as this may result in casual billing charges being assessed to the customer via the LEC bill. These Charges may be as high as \$0.80 per min and will not be reimbursed or credited to the customer.
