

Designed with your  
**SMALL BUSINESS**  
 in mind

### Choose the package that best fits your needs and budget

Every small business is unique. So why settle for service that's "one-size-fits-all?" With Cbeyond's BeyondVoice packages you have the flexibility to customize the service options that are right for you.

### Take your service to the next level with powerful upgrades

Access more than 30 productivity enhancing applications including local and long-distance voice, broadband Internet, mobile, BlackBerry®, broadband laptop access, voicemail, email, Web hosting, fax to email, data backup, virtual private networking, and cloud servers. So as your business grows and changes, we've got you covered.
